Technical drawing of a metal bracket (100mm long, 40mm wide, 16.5mm high). The drawing shows a side view and a top view. The side view shows a vertical bracket with a horizontal base. The top view shows a rectangular base with a central slot. Dimensions are given in millimeters.

Side View Dimensions:

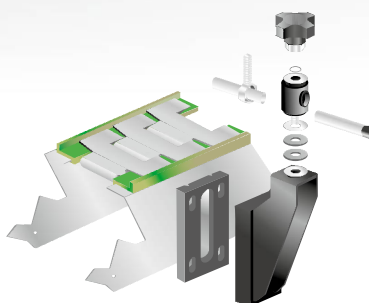

- Total height: 240
- Base height: 16.5
- Base width: 44
- Base thickness: 10.5
- Slot height: 80
- Slot width: 40
- Top flange thickness: 4
- Top flange diameter: $\varnothing F$

Top View Dimensions:

- Base width: 44
- Base height: 156
- Base thickness: 32
- Base width (including base): 82
- Base height (including base): 67
- Base width (including base): 64
- Base height (including base): 22.5

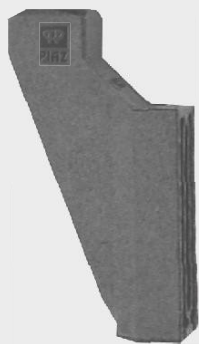

A diagram of a person standing on a scale. A horizontal arrow labeled P points to the left from the top of the person's head, with the value 2500 N written next to it.
